Our Remote Volunteer Programme

Welcome!

Thank you for your interest in volunteering with us. You've made a great choice!

How to start volunteering with us:

1. Complete our **Volunteer Application Form**
2. Return the Volunteer Application Form to Nicola
3. **Start volunteering! #VolunteerFromHome**

#VolunteerFromHome:

Our Volunteer Team cannot volunteer in our home for the moment. We are looking for volunteers to join our team to **#VolunteerFromHome** during the COVID-19 pandemic. If you would like to join our team when things return to a new normal we will ask you to complete Garda Vetting and provide three written references. But in the meantime we're delighted that you will volunteer with us from the safety and comfort of your own home.

Join the best volunteer team there is!

"I find the staff and residents in Saint Joseph's are like one big family and always make me feel welcome and included. There is a great team spirit and I am happy to be part of the team".

What our volunteers tell us

"It's a great experience. It's very professional and friendly. We feel cared for as well as the residents".
